## **Honor Walk 2019 for Veterans and First Responders**

Florida, USA – Peace is not free. It comes with a cost. Much of that cost is paid for by our military veterans, first responders, and their families. They deserve our support in dealing with the physical and emotional sacrifices they make every day. What can we do to support them and tell them “*Thank You*” for all they do?

Reverend Daniel Garcia’s Honor Walk 2019 is a prayer walk, a walk in the Spirit to reach people and give them hope. The message: “*Thank you, veterans and first responders. We love you for all you and your families are doing for us.*”

The walk began on March 18, 2019, in San Francisco, CA, Rev. Garcia’s 74<sup>th</sup> birthday. He revisited Half Moon Bay, CA, where in 1996 he was shown great kindness, the first of many on his global journey. On April 1<sup>st</sup>, Rev. Garcia resumed Phase 2 of his journey in San Diego, CA.

From CA, he plans to visit first responder sites and military installations in Arizona, New Mexico, and Texas. His route takes him through southern and eastern states. He will walk, pray, and be driven in increments to New York City, make a stop at the 9/11 Memorial, and end the walk at the United Nations in New York City, Fall 2019. The walk will culminate in a concert at the United Nations themed “One Night of Peace.”

Rev. Garcia is a US Marine Corps Vietnam veteran and has served in law enforcement. Any donations to help with logistical needs for Honor Walk 2019 and promotion of veteran and first responder initiatives are welcome.
