Honor Walk 2020 Continues for Veterans, First Responders, and Their Families

Florida, USA – Honor Walk 2020 is a walk with the Spirit of God. The message: ***“Thank you, veterans and first responders. We love you for all you and your families are doing for us.”*** The walk also brings attention to post traumatic stress disorder (PTSD) and suicide prevention programs which support heroic group of Americans.

The walk begins on July 4, 2020. Sponsor Rusty West, President of **Market Scan Information Systems**, has teamed with **Mike Wallace** and **JD Motorsports’** No. 0 Chevrolet for the inaugural Xfinity Series race on July 4 at the famed Indianapolis Motor Speedway road course. Wallace and West are supporting charities that honor and celebrate our veterans, service members and first responders.

The Fourth of July race kicks-off a four-month walk. Garcia’s journey will be promoted nationally, and funds generated will go to **America Salutes You**, which raises awareness and funds for extraordinary wellness charities assisting veterans, service members, first responders and their loved ones. The walk culminates on October 29th at the Grand Ole Opry House in Nashville at the **“Guitar Legends 4”** benefit concert, slated to honor Rock & Roll Hall of Famer Billy Gibbons of ZZ Top & Legends.

Rev. Danny Garcia will walk, pray, and be driven in increments from Indianapolis to veteran and first responder sites in Texas, Louisiana, Florida, the eastern seaboard, NY, and then finish in Nashville, TN . Along the way he will pay tribute to fallen comrades and make presentations to first responders.

Shaklee Corporation is fueling Danny, who at 75 years of age encourages all to become living proof of a healthier life using products that are safe for you and safe for the planet. Danny’s team uses Shaklee products daily as an example of transforming health care into “well care.” The **Child Safety Network** (an organization which helps to educate parents to raise safer and healthier children through educating, connecting, and protecting) is also sponsoring this walk.

GLOBAL WALK

Rev. Garcia is a US Marine Corps veteran of the Cuban Missile Crisis and Vietnam War. He was also a first responder (law enforcement). He has walked on six continents, over 52,000,000 steps, for over 23 years. His wife, Jackie, is a graduate of the US Air Force Academy (1985) and a retired USAF Lieutenant Colonel. Together, they have written the book of his life, titled *Marines Don't Cry*.

Danny welcomes prayers and encourages monetary support to **America Salutes You**. Public funds will support a range of veterans and first responder charities. Donations can be made at www.americasalutesyou.org. Make a \$10 donation by texting **FREEDOM** to **20222**.
