Honor Walk 2020 Continues for Veterans, First Responders, and Their Families

Florida, USA – Honor Walk 2020 is a walk with the Spirit of God. The message: ***“Thank you, veterans and first responders. We love you for all you and your families are doing for us.”*** The walk also brings attention to post traumatic stress disorder (PTSD) and suicide prevention programs which support heroic group of Americans.

The walk begins on March 18, 2020 (Rev. Garcia’s 75th birthday) in San Diego, CA. He will visit Marine Corps Recruit Depot, San Diego, and North Island, where he was stationed in 1974, and will retrace steps he took in 1996 when he began walking for children and world peace.

Rev. Danny Garcia will walk, pray, and be driven in increments from California to veteran and first responder sites in Arizona, New Mexico, and Texas. Along the way he will pay tribute to fallen comrades and make presentations to first responders. His route takes him through southern and eastern states and will culminate at the Kennedy Center in Washington, D.C., on May 19, 2020 for a concert sponsored by *America Salutes You* (americasalutesyou.org).

The *Child Safety Network*, an organization which develops and implements child safety and parenting programs on a global basis, is one of the walks supporters. *Shaklee* Independent Distributors are also supporting Danny. At 75 years of age, Danny encourages all to take the Shaklee ***“Prove It”*** challenge and become living proof of a life of wellness. He and Shaklee have a goal to transform health care into “well care.”

Rev. Garcia is a US Marine Corps veteran of the Cuban Missile Crisis and Vietnam War. He was also a first responder (law enforcement). He has walked on six continents, over 26,000 miles, for over 23 years. His wife, Jackie, is a graduate of the US Air Force Academy (1985) and a retired USAF Lieutenant Colonel. Together, have written the book of his life, titled *Marines Don’t Cry*.

Danny welcomes prayer and donations to support travel and logistics costs of the walk.
